

ORIENTAL INSECTS

VOLUME 20, 1986

Family EUCHARITIDAE

T. C. Narendran

Selected bibliography. Gahan, 1940. Proc. U. S. Natn. Mus., 88: 425-458. Girault, 1934. Eucharitidae ... nova Australiensis, 2pp. Girault, 1940. Revta Soc. Ent. Argentina, 10: 321-326. Hedqvist, 1978. Steenstrupia, 4: 227-248. Ishii, 1938. Kontyu, 12: 194-198. Kirby, 1886. J. Linn. Soc. London (Zool.), 20: 28-37.

Genus CHALCURA Kirby

Chalcura Kirby, 1886. J. Linn. Soc. London (Zool.), 20: 30.
Type-species: Eucharis deprivata Walker, by monotypy and original designation.

DEPRIVATA (Walker). Sri Lanka.

Eucharis deprivata Walker, 1860. Ann. Mag. Nat. Hist., 6: 359.
M. Sri Lanka (BMNH).

References: Hedqvist, 1978. Kirby, 1886.

Genus EUCHARIS Latreille

Eucharis Latreille, 1802. Hist. Nat. Crust. Insect., 3: 210.
Type-species: Cynips adscendens Fabricius, by monotypy.

CASCA Fernando. Sri Lanka: Wellawaya Division.

Eucharis casca Fernando, 1957. Ceylon J. Sci., B.25: 211. M,
F. Sri Lanka: Near Kudaloya (?UC).

CASSIUS Fernando. Sri Lanka: N.W. Province.

Eucharis cassius Fernando, 1957. Ceylon J. Sci., B.25: 211.
M, F. Sri Lanka: Mundel (?UC).

MELANTHEUS Fernando. Sri Lanka: Eastern Province.

Eucharis melantheus Fernando, 1957. Ceylon J. Sci., B.25: 210.
F. Sri Lanka: Near Vakanin Tank (?UC).

MYRMYCIAE Forel. India? (Some clues suggest that this species may be misreported from India. It is probably present only in Africa.)

Eucharis myrmeciae Forel, 1890. Ann. Soc. Ent. Belgie., 20: 8.

References: Ayyar, 1925. Mani, 1938.

Genus INDOSEMA Husain & Agarwal

Indosema Husain & Agarwal, 1983. Boll. Lab. Ent. Agr. Filippo Silvestri, Portici, 40: 103. Type-species: Indosema indica Husain & Agarwal, by monotypy and original designation.

INDICA Husain & Agarwal. India: UP.

Indosema indica Husain & Agarwal, 1983. Boll. Lab. Ent. Agr. Filippo Silvestri, Portici, 40: 103. F. India: Aligarh (ZDAMU).

Genus LOSBANUS Ishii

Losbanus Ishii, 1932. Bull. Agric. Exp. Stn. Tokyo, 3: 210. Type-species: Psilogaster uichancoi Ishii, by original designation.

LAEVICEPS (Gahan). India: AP, KL, TN. Nepal. Sri Lanka.

Parapsilogaster laeviceps Gahan, 1940. Proc. U. S. Natn. Mus., 88: 429. F. Sri Lanka (USNM), also India: AP, KL and TN.

Reference: Hedqvist, 1978.

Genus ORASEMA Cameron

Orasema Cameron, 1884. Biol. Centr.-Amer. Hym., 1: 104. Type-species: Orasema stramineipes Cameron, by monotypy.

Semora Cameron, 1909. Trans. Amer. Ent. Soc., 35: 432. Type-species: Semora xanthopus Cameron, by monotypy and original designation. Preoccupied by Peckham, 1892.

Semorella Ghesquière, 1946. Rev. Zool.-Bot. Africaines, 39: 368. Replacement name for Semora Cameron, not Peckham.

Semorata Strand, 1947. Folia Zool. Hydrobiol., 11: 393. Replacement name for Semora Cameron, not Peckham.

ASSECTOR Kerrich. India: AM.

Orasema assector Kerrich, 1964. Bull. Ent. Res., 54: 367. M, F. India: Assam (BMNH).

Host: Pheidole sp.

INITIATOR Kerrich. India: AM.

Orasema initiator Kerrich, 1964. Bull. Ent. Res., 54: 368. M, F. India: Assam (BMNH).

Genus PHILOMIDES Haliday

- Philomides Haliday, 1862. Ann. Soc. Ent. France, (4) 2: 115.
 Type-species: Philomides paphius Haliday, by monotypy.
Sternodes DeStefani, 1891. Natural. Sicil., 10: 118. Type-species: Sternodes pusateri DeStefani, by monotypy and original designation. Preoccupied by Fischer, 1837.
Destefania Dalla Torre, 1897. Wien. Ent. Zeit. Jahr., 16: 88.
 Replacement name for Sternodes DeStefani, not Fischer.

PHILOMIDES sp. indet. India (Reference: Ayyar, 1925).

Genus SCHIZASPIDIA Westwood

- Schizaspidia Westwood, 1835. Proc. Zool. Soc. London, 3: 69.
 Type-species: Schizaspidia furcifera Westwood, by monotypy.
Laetocantha Shipp, 1894. Entomologist, London, 27: 188. Type-species: Thoracantha nasua Walker, by monotypy and original designation.
Psygmatochera Enderlein, 1912. Ent. Mitt., 1: 146. Type-species: Psygmatochera ceylonica Enderlein, by monotypy and original designation.
Neokapala Girault, 1913. Trans. R. Soc. S. Australia, 37: 92.
 Type-species: Neokapala furcatella Girault, by monotypy and original designation.
Kapatella Girault, 1932. New Pests from Australia X: p.4. Type-species: Kapatella transstriata Girault, by monotypy.
Thoracanthella Girault, 1940. Revta Soc. Ent. Argentina, 10: 323. Type-species: Thoracanthella emersoni Girault, by monotypy.
Kapaloides Mani, 1942. Indian J. Ent., 4: 155. Type-species: Kapaloides travancorensis Mani, by original designation.
 SYN. NOV.

ANDAMANENSIS (Mani). India: ANI.

Kapaloides andamanensis Mani, 1942. Indian J. Ent., 4: 156.
 M. India: Andaman Island (ZSI).

References: Hedqvist, 1978. Mani et al, 1974.

CONVERGENS (Walker). Sri Lanka.

Eucharis convergens Walker, 1860. Monogr. Chalc., 2: 358. M, F. Sri Lanka (BMNH).
Psygmatochera ceylonica Enderlein, 1912. Ent. Mitt., 1: 146.
 M, F. Sri Lanka (MHU).

Reference: Hedqvist, 1978.

COROMANDELICA (Mani & Dubey). India: TN.

Kapaloides coromandelica Mani & Dubey, 1974. Mem. School Ent. Agra, No.3: 45. M. India: Coromandel Coast, Mandapam (USNM).

Reference: Hedqvist, 1978.

FURCIFERA Westwood. India: "Bengal" (WB?).

- Schizaspidia furcifera Westwood, 1835. Proc. Zool. Soc. London, 3: 69. M, F. "Bengal" (ZSI).
Reference: Hedqvist, 1978.
- SABARIENSIS (Mani & Dubey). India: KL.
Kapaloides sabariensis Mani & Dubey, 1974. Mem. School Ent. Agra, No. 3: 42. M. India: Cardamom Hills (USNM).
Reference: Hedqvist, 1978.
- SCUTELLARIS Masi. India: WB. (Taiwan).
Schizaspidia scutellaris Masi, 1926. Konowia, 5: 366. M, F. Taiwan (DEI).
Reference: Hedqvist, 1978.
- TRAVANCORENSIS (Mani). India: KL.
Kapaloides travancorensis Mani, 1942. Indian J. Ent., 4: 155. M. India: Travancore (ZSI).
References: Hedqvist, 1978. Mani et al, 1974.

Genus STILBULA Spinola

- Stilbula Spinola, 1811. Anns Mus. Hist. Nat. Paris, 17: 150.
Type-species: Ichneumon cyniformis Rossi, by monotypy.
- Eltolada Cameron, 1909. Entomologist, London, 42: 230. Type-species: Eltolada trimaculata Cameron, by designation of Gahan & Fagan, 1923.
- ATKINSONI (Mani & Dubey). Burma.
Schizaspidia atkinsoni Mani & Dubey, 1974. Mem. School Ent. Agra, No. 3: 36. F. Burma: Budaung Reserve, Schwebo (USNM).
Reference: Hedqvist, 1978.
- INDICA (Mani). India: AM.
Schizaspidia indica Mani, 1935. Rec. Indian Mus., 32: 254. M. India: Assam (ZSI).
Reference: Hedqvist, 1978.
- MANIPURENSIS (Clausen). India: MNP.
Schizaspidia manipurensis Clausen, 1928. Proc. Ent. Soc. Washington, 30: 85. M, F. India: Manipur (USNM).
Reference: Hedqvist, 1978.
- MYSORENSIS (Mani & Dubey). India: KT.
Schizaspidia mysorensis Mani & Dubey, 1974. Mem. School Ent. Agra, No. 3: 37. F. India: Mysore (USNM).
Reference: Hedqvist, 1978.

TANJORENSIS (Mani & Dubey). India: TN.

Schizaspidia tanjorensis Mani & Dubey, 1974. Mem. School Ent.
Agra, No. 3: 39. F. India: Tanjore (USNM).

Reference: Hedqvist, 1978.
